Text is strongly preferred as we are always on the go with our friends! You may call for more personal or urgent matters.

Email responses submitted after
12:30P or 4PM Mon-Fri.

Daily Schedule

Copies of daily schedule will be provided for you all to review. We follow this schedule daily; however, we are flexible depending on the weather, events, and interests of our friends!

Friendly Reminders:

Consistency and routine are key! Please try to bring your children in at or before 9:00am. Breakfast will end at 9:30am. This will ensure they begin their day with circle time. Circle time sets the tone for the day!

Health & Safety

Handwashing

All children must wash their hands when entering the classroom.

Illnesses

Please refer to News4's weekly newsletters for details on SAECC Illness Policy.

Medication

If your child needs medication, you must provide parental consent for O-T-C & doctors instructions for prescribed medicines, and the OSSE form signed by the doctor. Certain health conditions may require an action plan.

Classroom Rules

- Parents are not allowed in the classrooms.
- Children should be at school by 9:00am.
- Pick up by the allotted time (7-5 or 8-6)
- Reach out to teacher and administration for any accommodations to the time slot.

Parent Involvement

Monthly Newsletter

Our monthly newsletter will be emailed at the beginning of each month. It will cover the theme and a few activities we have planned. You will also find parent involvement events, special announcements, closing dates, events, birthdays, and greetings to our new Friends!

Home School Connection

- Take Home Project
- Show and Share

Field Trips

- Chaperones
- All students not going on the field trip should stay home until the class returns.

Room Readers

Take Home Project

Take home projects are emailed monthly to reflect our themes! Please help us maintain the home-school connection by completing them! If you need assistance with your project, don't hesitate to let us know! 😊

Curriculum

Creative Curriculum

At SAECC, we use the Creative Curriculum and Teaching Strategies GOLD (TSG).

We use the Creative Curriculum to compose our lesson plans and TSG is used to assess our students' development.

We aim to focus on:

- Physical Development & Motor Skills
- Social - Emotional Development
- Approaches to Play & Learning
- Language & Early Literacy
- Cognitive Development
- Establishing Daily Routines
- Introducing New Experiences
- Independently Managing Needs

Closing

Q&A Forum

Great opportunity for any questions, concerns, or suggestions to be discussed!

Thank you for
joining us this
evening!
